Smile of the Month ☺

May Update

May was a fun month! We spent a lot of time outside enjoying the spring weather! Please remember now that the weather is warmer, the kids get very thirsty outside! It is difficult to make a trip inside whenever someone needs a drink, so we ask that you please send a water bottle to the center with your child ☺

Summer Update

The summer guide has been posted on our website!

Check out all the fun trips and activities we have planned! You can find it under "register" Summer permission forms will be available the week of June 23 for parents to sign!

After The Bell is introducing PIZZA FRIDAYS this summer! You will have the option to sign your children up for this on the summer permission forms. You can select some Fridays, or all Fridays, but the money is due at the beginning of each month! It will cost \$5 per child, each Friday that you sign them up.

Staff Update

Mandy is in the process of hiring a new staff for the summer. Rebecca is on her school placement for most of June, and returns to ATB on June 23rd, and will be with us all summer!

Our website has been updated with Lauren and Rebecca's biographies!

Austin and Anna

As the school year comes to an end, we always have kids who are leaving, but this year we have two extra special kids who will be done at ATB in June!

"Anna and Austin were the first two kids to start ATB in grade primary and attend until they graduated into junior high! I'll never forget the two cute little faces on their first day of After The Bell, and can't wait to have Anna and Austin come back to volunteer in the summers!!!" - Mandy

We are all going to miss Anna and Austin very much! And we wish them good luck in junior high, and look forward to visits!
