## Family Newsletter – March 2014

Smile of the Month ☺

### March Update

We have had a cold March! The kids have still all enjoyed some outside play, when we could ☺ When it was too cold or wet to go outside, the kids have kept busy with inside sports, crafts, and performing plays or dances for their peers!

We have had some new children start at ATB and we would like to say WELCOME to Skyler, Lucy and Lola!!!

### Van Update

The new Van Cancellation Policy is posted on our website. You can find it in the registration package. Mandy asks that existing parents please sign and submit this new policy.

There is a broken seatbelt in the van, which has caused Mandy to need to remove a row of seats until the belt can be fixed. This is for the safety of the children. Since we are now down 3 seats, we ask that you PLEASE CALL when your child is not attending ATB in the morning or afternoon, so we can plan transport accordingly.

### March Superstars

- Skyler - Welcome to ATB, you have brought a lot of spark to the center ☺
- Lucy - Welcome to ATB, we can already see how wonderfully kind you are to others!
- Lola - Welcome to ATB, you are so sweet and have such great manners!
- Grace - We love your art work, it really brightens up the centre!
- Jackson - Thanks for always making us laugh, we love your humour!

**Remember:  
We are NUT FREE.**

### Staff Update

Mandy will be away on vacation May 8-15. While she is away, Sheri will be in charge at the centre.

Lauren has taken on the role of the supportive child care worker at ATB, and she is also working on getting her class 4 driving license!

Rebecca is finishing up her 3rd year at university. She will be filling in when Mandy is on vacation in May, and we are happy to announce that she will be coming back to work full time with us this summer ☺

### Summer Camp 2014

We have begun planning our 2014 Summer Camp! Staff will be completing 6 workshop hours together, to plan our summer schedule. We are planning lots of NEW activities and fieldtrips ☺

It is assumed that all current children at ATB will be attending our Summer Camp. If your child is NOT attending our Summer Camp, you must let Mandy know as soon as possible. In order to take your child out for the summer, but keep their spot for the fall, Mandy needs to sublet their spot to another child. Mandy is working hard now to find sublet spots, by advertising with a sign out by the road.

### Important Dates

April 18 - Good Friday, Centre CLOSED

April 21 - Easter Monday, Centre CLOSED

April 30 - Early Dismissal for parent teacher
