Smile of the Month ☺

February Update

February was a busy, and cold month! We have been outside a lot, playing in the snow, building snowmen and making forts. The children really enjoy our outside time, but it is even more enjoyable for them when they have the proper clothing. Please keep extra clothing for your children in their backpacks. An extra pair of gloves or mittens is especially important, because often the pair they wore to school that day is wet.

We have added new art on the walls in the stairwell. Please take some time to admire the art is being showcased ☺

Staff Update

ATB Staff have been recently recertified in Emergency First Aid, CPR "C" and AED.

Lauren has been driving in the van with Mandy this month. She is working toward getting her Class 4 drivers license! Go Lauren ☺

February Superstars

- Alivia - You are so funny. You always add a lot of humor to ATB!
- Abby - Thanks for always being so helpful! We really appreciate you ☺
- Michael - Great job at being a good sport when playing mini sticks! Keep it up!
- Jack G - You are so kind to your friends, thanks for being a great person!
- Jane - Your hugs and stories really brighten everyone's day ☺

Parent Meeting

We had a Parent Meeting for Astral, Caldwell and Colby parents, to discuss what will happen when the HRSB busses are not running. Thank you to the parents who were able to attend, we appreciated your input.

The majority vote was that when busses are not running, that the center will remain open during school hours. Parents of Astral, Caldwell, and Colby children will have to choice of either dropping their children off at the center for the day, or providing their transport to and from school.

A new policy is currently being drafted for parents to sign and refer to when this happens in the future. Thank you for your input, support and patience regarding this matter.

Snowman Fun!
